

# THE GREATEST OPPORTUNITY

You Ever Had or Probably will ever have again to buy stock in an Oil Co., owned and operated by Negroes. We now have Thousands of Dollars of Tangible Assets. This Company is backed up by some of the most prominent men of our race. Clip out the Coupon below and order some of our stock, or write us and ask for one of our booklets which will explain more fully than this "ad," the wonderful opportunity we are offering you.

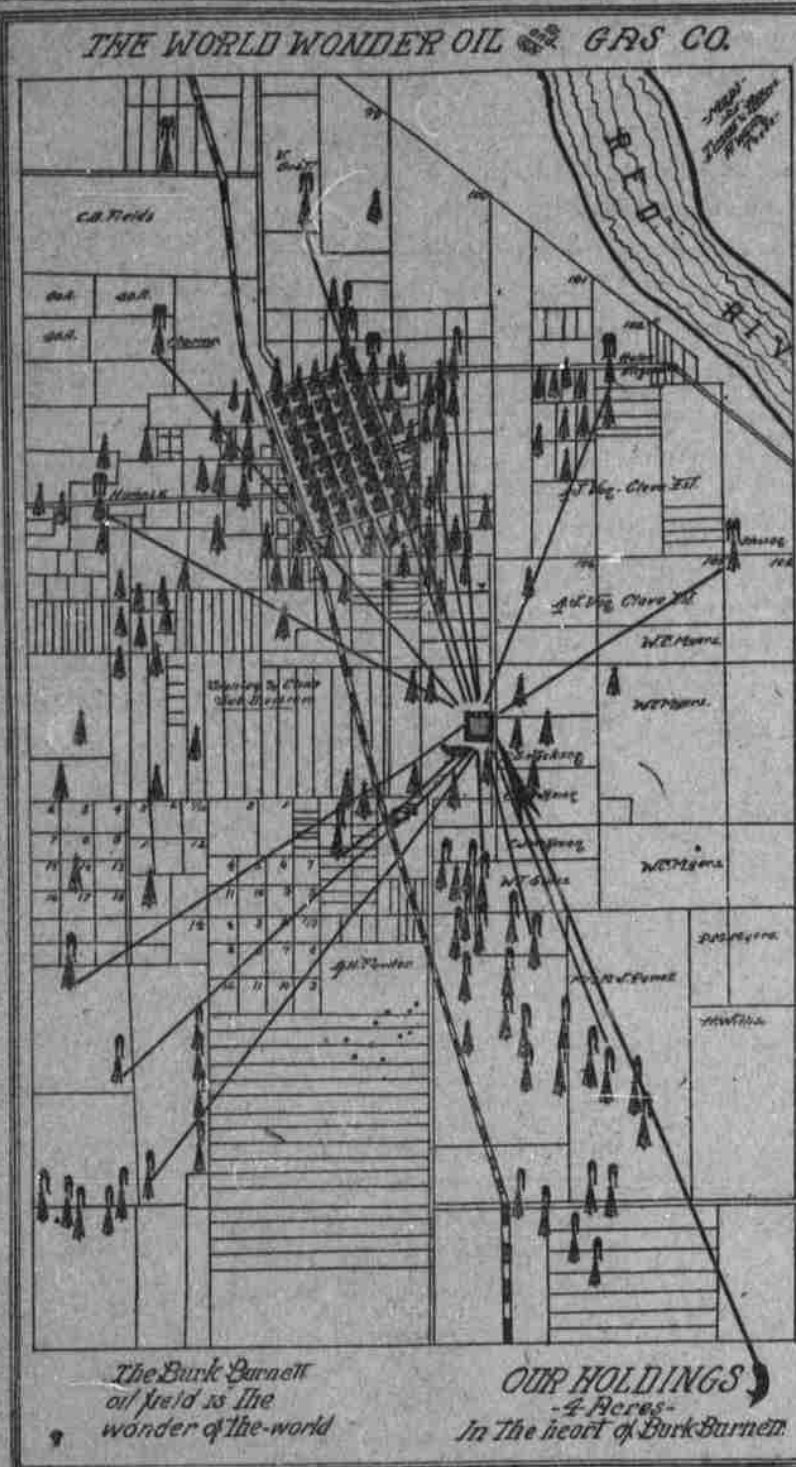

## Our Special Offer To Texas People.

We are selling to the public 50,000 Shares of our Stock at \$1.00 per share par value, and we have allotted 20,000 of these Shares to Texas people, as we want the Texas people to help share in the large profits that are to be derived from our production. Our President, Mr. J. J. Allen, is now in Texas and has been there for about two weeks, and he has already sold over one-half of the Stock allotted to Texas as quite a few of our leading men, such as Bill McDonald, Rev. A. L. Boone, Rev. E. M. Griggs, Dr. Hurd, Drs. Morgan and Busch, Prof. B. F. Darrell, Prof. Porter, Madam Wiggins and Dr. E. Arlington Wilson have bought in large quantities and others are buying daily.

Our President is now in Dallas, and has planned to tour the state of Texas; but we do not know how far he will get before the Stock will all be sold, and we would advise that you cut out the application blank below and mail to us at once for the amount of stock you want, or write the office at once that you would like to see our president personally, and we will notify him, to call upon you.

## Follow The Crowd.

The white race has succeeded; and if we are to succeed, we must follow in his footsteps. If you don't believe that white people are investing their money in oil, go into Fort Worth, Wichita Falls, or Dallas, Texas. It is just like going to a circus that is only to be in town one day, I'll bet there is over one hundred thousand visitors in those cities daily, who are investing in oil. Again, if you don't believe what I say, just read any of the Texas Daily papers; and if you want to see the greatest sight of your life, go to the City of Burk Burnett, and take a view at the oil fields and listen to the hum of the gas engines and drilling machines pounding, their way into mother earth to reach the black liquid gold that flows out of mother earth anywhere from two to four thousand dollars per day from one well. Just think of it. Isn't it remarkable? Are you going to get your share of it? If you don't it is your own fault; for there's surely no prejudice in oil. Not only have we this very valuable lease in Burk Burnett Oil Fields, but we also have some valuable holdings in Anderson Co., Texas, Oklahoma and Kansas. Our stockholders share equally in all properties and income.

## THE WORLD WONDER OIL AND GAS CO.,

The Largest Oil Company in The World Owned Exclusively by Negroes.

Do you wonder why so many people of the white race ride up and down the streets in the very finest of automobiles and live in the finest of homes, with us as their servants, and all the luxuries of life? It's because they invest their money. They take a chance. We can do the same, if we will get behind our race enterprises and in a Negro company, where you will get a square deal. See who is behind this company.

## Girls Beautify Your Hair With "KAP-O-LINE"

Dr. Billingsby says physicians and medical authority should sound warning against the use of HOT COMBS, which is the greatest curse to modern American women. The loss of hair may be divided into three classes, physical weakness, dandruff and HOT COMBS, the latter by far the most prolific cause of baldness. If the loss of hair is due to physical weakness dandruff, this may be cured, but the loss of hair caused by the use of HOT COMBS, can never be restored as it has deprived the hair roots of natural oil which nature provided, as well as to leave the scalp dry and unhealthy. Dr. Billingsby, says that I prescribe for dandruff, loss of hair making KNOTTY, KINKY hair straight, long and luxurious KAP-O-LINE. Woman's crowning glory is her hair, this should be well taken care of, the scalp must be kept clean and healthy, and the application of KAP-O-LINE several times a week will bring such results that you will be amazed.

### The prime remedy for shampooing is KAP-O-LINE SHAMPOO.

It avoids grease accumulation on the scalp, destroys the germs of disease and keeps the hair sweet and clean. "Shampoo" if used as a Shampoo causes the hair to fade, and the gray hair of many a young woman could be traced to this cause. Price of KAP-O-LINE, 35 cents; KAP-O-LINE SHAMPOO 50 cents.
